Do you already have a valid or expired certificate?

no ✗   **yes** ✓

no branch

Did you already start with the full eBROK?

✗ → **Product: Full eBROK**

✓ ↓

Did you fail the exam and do you want to register for a resit?

✗ → **Are you able to complete the eBROK course before your access expires?**

- ✗ → **Product: Extend access** (your progress will remain)
- ✓ → You do not have to buy a new product. Please contact the helpdesk if you have any questions.

✓ ↓

Product: Re-examination

Please note!

⚠ You need to have access to the eBROK when making the exam. If your access expires before your re-examination, make sure to also purchase the product 'extend access'.

yes branch

Is your BROK certificate still valid?

✗ ↓   ✓ →

Did your certificate expire less than 6 weeks ago?

- ✗ → **Product: Re-registration** (You will automatically be directed to the re-registration without a valid certificate. You will have to follow the full eBROK again, with exception of the CSB.)
- ✓ → **Product: Re-registration** (You are still within the grace period so you can follow the regular reregistration.)

Does your certificate expire within 18 months?

- ✗ → **Do you want to keep using the eBROK as reference?**
  - ✗ → You do not have to purchase a new product. Contact the helpdesk if you have any questions.
